

## A note on our publication schedule

The House and Senate will be out of session from May 29 through June 5 for the Memorial Day recess.

As noted elsewhere in this issue, we plan to publish a special edition of *Tax News and Views* on May 29 with details on the tax proposals included in the Biden administration's fiscal year 2022 budget blueprint and described in the Treasury Department's "Green Book." (See separate coverage for a link to the Green Book.)

Otherwise, barring any significant unexpected developments on the tax policy front, the next week-in-review edition of *Tax News & Views* will be published the week of June 7 when the legislative session resumes.
